What did the respondent do or say that you believe to be harassing or stalking behavior?

I told John in October to stop calling me, I didn't want to meet him in person and he was calling me too much. I had met with him once after meeting online at Match.com and now wish I didn't.

In November he called me 20 times and sent 41 texts. He parked by my house on Thanksgiving and my Dad had to tell him to leave - he did.

On Christmas he sent me a card. In January he called almost every day, usually twice a day. See attached phone bill with John's number highlighted.

On Valentine's Day he left me a card and a teddy bear on my front porch. He signed it "Love Always, John."

On March 6th he came to my work when I wasn't there and asked when I worked next. See my co-worker Allison's declaration.

I am filing for this order today because last week I was walking to my car after class and there he was just sitting in his car. I have no idea how he knew I was attending this community college but I'm really scared of him now and want him to leave me alone.
